

2015 Apprenticeship Program

New Century Theatre is an Equity summer theatre company celebrating its twenty-fifth year of operation in 2015. Each year NCT offers a number of apprentice positions to high school-aged students. NCT produces four mainstage productions plus two productions in our NCT Kids Series in the air-conditioned Mendenhall Center for the Performing Arts. Their work continues to receive acclaim from Valley media and a very loyal audience.

High school apprentices will gain valuable theatre skills in a professional theatre environment. They work as part of a dedicated company to produce every show within our ten-week season. This is a challenging undertaking and requires a hard-working group of theatre students to make it all possible.

High School aged apprentices who live locally will work out a schedule with our Internship Coordinator. The fee for the program is \$100.

Sam Rush,
Producing Director
