

2015 Internship Program

New Century Theatre is an Equity summer theatre company celebrating its twenty-fifth year of operation in 2015. Each year NCT offers a number of internship positions to college-aged students. NCT produces four mainstage productions plus two family-oriented productions in the air-conditioned Mendenhall Center for the Performing Arts. Their work continues to receive acclaim from Valley media and a very loyal audience.

Interns will gain valuable theatre skills in a professional theatre environment. They work as part of a dedicated company to produce every show within our ten week season. This is a challenging undertaking and requires a hard-working group of theatre students to make it all possible.

For interns housed on campus the fee for this ten-week program, including meals and housing is \$1800. College credit may be available from your academic institution. EMC (Equity Membership Candidate) points are available.
